"I wanted to take a moment to express my gratitude for the recent performance. It has been the best experience I have had since I started attending your shows. The live music, the interaction with the students, and the use of technology were all exceptionally well done. My students thoroughly enjoyed being immersed in the culture. The vibrant costumes were truly representative of the countries, and you effectively transported them to Latin America and Spain. The incorporation of familiar pop rhythms allowed the students to recognize music that is popular on social media, enhancing their experience even further. Thank you for providing such a memorable opportunity for my students."

Noivia V., Spanish Teacher, Presbyterian Christian School

"As a teacher I loved the show, students also enjoyed it and it was a great CULTURAL and LEARNING experience. The lesson that you prepared to be used previous to the show is a plus ¡Gracias! The selection of the music, the costumes, the sections for interactions were speechless!"

Margarita G., Spanish Teacher, Carrollwood Day High School

"WE HAD SO MUCH FUN! I thought it was very informative and the music and dance were amazing. You managed to keep it authentic as well. Kids said it was the best field trip!"
